The RES 6.0 software contained on this disc accompanies the publication *Speech Recognition - Theory and C++ Implementation* copyright © 1999 John Wiley & Sons, Ltd., Baffins Lane, Chichester, West Sussex, UK PO19 1UD. All rights reserved.

All material contained within RES 6.0 is protected by copyright, whether or not a copyright notice appears on the particular screen where the material is displayed.

RES 6.0 is an original software distributed as part of the above publication and should not be sold or re-sold separately. In purchasing the publication, the purchaser acquires a non-exclusive, non-transferable licence for personal and non-commercial use of the RES software. The purchaser may modify the RES software provided that he/she does not alter the original copyright notice and provides a note on any modifications made to the original version. The RES software may be copied and printed out but may not be transmitted to another or networked without the written permission of the Publisher. Requests for permission to distribute the RES software on a network or to exploit it for any purpose other than personal, non-commercial use should be addressed in the first instance to Customer Services at the following e-mail address: <cs-books@wiley.co.uk>.

RES 6.0 includes sound files in the directory Sndfiles in which the copyright is held by the Linguistic Data Consortium, University of Pennsylvania, 3615 Market Street, Suite 200 Philadelphia, PA 19104-2608, USA. Wherever possible, third party copyright holders are identified in the text files accompanying the utility or programme and requests for permission to exploit such materials should be addressed to the appropriate copyright holder.

Since RES is licensed free of charge, apart from the cost of the book, there is no warranty for the programs contained in the disk. The software is supplied "as it is" without warranty of any kind, either expressed or implied. The entire risk as to the quality and performance of the software is with the purchaser. The purchaser assumes the cost of all-necessary servicing, repair or correction in case the programs prove to be defective.

Neither the authors nor John Wiley & Sons, Ltd. accept any responsibility or liability for loss or damage occasioned to any person or property through using the materials, instructions, methods or ideas contained herein, or acting or refraining from acting as a result of such use. The authors and Publisher expressly claim all implied warranties, including merchantability or fitness for any particular purpose. There will be no duty on the authors or Publisher to correct any errors or defects in the software.

It is hoped that the software will prove useful to purchasers and the author Claudio Becchetti may be contacted by e-mail at <Cbecc@flashnet.it>.
